MEMO ENDORSED

Re: USA v. Leschins, et al., 07 Civ. 3384 (JCF)

Dear Judge Francis:

By order dated April 17, 2008, the Court dismissed the case and provided that “[i]f settlement is not consummated within thirty days of the date of this order, any party may apply to have the action restored to the Court’s active docket.” The parties are in the process of drafting a consent judgment, and respectfully request an additional two weeks to do so, such that the parties would have up to and including June 2, 2008 to either submit a consent judgment or request that the Court restore the action to the Court’s active docket. This additional time is required because of the complexity of the agreement and in order to provide sufficient time for both parties to review and approve of the consent judgment.

Thank you for your consideration of this request.

Respectfully,

MICHAEL J. GARCIA
United States Attorney
